FROM PRINCIPAL KIRSCH . . .

Harmony with Generosity & Patience

It takes a lot to be patient with me. I have some inherent tendencies that drive people nuts. It can sometimes be difficult to understand my thoughts – let alone my actions. The people in my life have to be able to display a great deal of patience as they deal with my quirks and shortcomings. And each one of us has these inclinations. With all of these peculiarities amongst us, how can harmony exist?

With all humility and gentleness, with patience, bearing with one another in love. (Ephesians 4:2)

Christ calls us to recognize the differences, display patience towards those unlike ourselves, and to be generous in our dealings with others. This is not just in our thoughts and beliefs, but also in the physical expression of our harmony together. Christ calls us not just to tolerate each other, but to serve the tangible needs of our neighbors.

So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith. (Galatians 6:10)

As we reach out in generosity to those around us, we put on display the actions of the harmonious body of Christ. It is one thing for Christians to say that we are unified, it is another to put it into action. We don't do this because it brings us glory or even because it offers self-satisfaction (though that can be a healthy side benefit). Rather we do it because we ourselves have received through our Heavenly Father's heart of compassion incredible blessing. We do it because it brings glory to God. His sacrifice enables us to live and carry our humble service to others. Out of gratitude for what he has given us, we can joyfully be generous and patient with others.

The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. (2 Corinthians 9:6-7)

FROM DEAN OF CULTURE KALKOPF . . .

Greetings,

This week was Mental Health Week. Some of the things that we did were raise money for suicide prevention, had activities and videos shown in Advisory and Family Group, and encouraged students to send positive notes to each other (gratitude smacks). Hopefully, the students were able to continue to understand the importance of mental health.

We all know the cold weather will be coming soon. Due to the colder weather coming, I encourage you to pick up your child as close to 3:20 as possible. If you have any questions regarding school policies, feel free to contact me at jkalkopf@milwaukeeelutheran.org or 414-461-6000x205.
